

## Proposé de correction

### I/ Compréhension : 5 marks

1/ Emeka bought the ring so that he could get good marks and pass his exam.

2/ a- The great day was the examination day.

b- There were 23 pupils passed in Emeka's class.

3/ True, he told lies to his aunt because he didn't lose the money, but he used it to buy the ring.

4/ The cause of Emeka's failure is that he did learn his lessons, but he relied on the ring / charm.

5/ No, it's not good to use charm to pass an exam, because charm will never work for your lessons, do your exercises before sitting for an exam.
